

Make your school
a firearm free zone

Discussion Sheet 2

Group activity

Talking about this!

Remember - you don't have to talk about anything you do not wish to.

COMPARE THE MAPS YOU DREW ON DISCUSSION SHEET 1 AND TALK ABOUT THEM.
THEN TALK ABOUT THESE QUESTIONS:

- ❖ Where does gun violence happen in your area?
- ❖ Are guns a problem in your school?
- ❖ How do different people in the group feel about guns? Compare your feelings.
- ❖ Does anyone in the group know someone who has been shot?
- ❖ Has anyone ever been shot at your school?

Make your school
a firearm free zone

Our Vision

Think about the things you have discussed in your group. Use the large piece of paper your facilitator has given you. As a group, draw a picture of what you wish your school and your area could be like. Each person in the group should draw something on the picture.

WHEN YOU HAVE DRAWN YOUR LARGE PICTURES, SHARE THEM WITH SOME OF THE OTHER GROUPS. THEN TALK ABOUT THESE QUESTIONS AS A LARGE GROUP:

- ❖ What were the common things you wished for?
- ❖ How could these be achieved?
- ❖ Do you think making your school a firearm free place would contribute to your vision?
